

Schedules, time
and attendance

Software and services to power your company

The only Canadian company to offer its clients
a fully integrated company management software
as well as a payroll outsourcing service

 Aligo

Schedules, time and attendance

Manage schedules, keep track of time and automate attendance follow up

SCHEDULE MANAGEMENT

Plan work schedules per employee, per department or per project and send them via the Web with our portals

PLANNING FOR ABSENCES AND REPLACEMENTS

Allow employees to make their time-off requests and allow supervisors to approve them by better organizing replacements

TIME CAPTURE

Record your employee's start and end punch times using our one of our numerous data collection tools

TIMESHEET

Record the number of hours spent on each project and decrease your time spent doing payroll

APPLYING TIME MANAGEMENT RULES

Automate pre-defined rules for processing overtime, bonuses and labour conventions

TIME APPROVAL

Allow your supervisors to view, modify and approve the number of hours worked per employee

The best way to see how we can help you is to see us in action
